A. **Complaints**: An employee with a complaint shall first discuss it with his/her immediate superior, with the objective of resolving the matter informally. B. **Definitions**

1. Grievance: A grievance is a dispute or difference between the Board and the Association, or the employees represented by it, with respect to the interpretation, application, or violation of policies of this Agreement, and administrative decisions affecting the employees.

C. The purpose of this procedure is to secure at the lowest possible level equitable solutions to problems that may arise affecting employees. Both parties agree that proceedings will be kept informal and confidential at every level of the procedure.

D. **Time Limits**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. All grievances shall be presented as soon as possible after the occurrence, but in no event later than twenty-one (21) calendar days. Grievances not following this process will not be considered by the party to whom presented.
3. All grievances shall be presented at Level One in writing on grievance forms provided for that purpose, and shall set forth the provisions of this Agreement, Board policy, or administrative decisions upon which the grievance is based.
4. Grievance decisions, and any appeals to a higher level of the grievance procedure, shall be in writing on grievance forms.
5. In the event a grievance is filed that cannot be processed through all steps of this grievance procedure by the end of the school year, and, if left unresolved, could in the opinion of the Association or the Board, result in irreparable harm, the time limits set forth shall, at the request of either party, be reduced as much as practicable, so that the grievance procedure may be completed by the end of the school year; however, the party upon whom the request is made shall have the right to reply within the time limits in this Agreement.

E. **Procedure**

1. **Level One**:

- a. Within seven (7) calendar days after a grievance is submitted by the Association, it shall be discussed in a meeting between the Association's Professional Rights and Responsibilities representative for that building and the immediate supervisor.

- b. If the grievance is not settled within twenty-one (21) calendar days after it is discussed in the meeting with the immediate supervisor, the Association may appeal it to Level Two within seven (7) calendar days after the decision at Level One, or twenty-eight (28) calendar days after the grievance was submitted for discussion, whichever is sooner.

2. Level Two:

- a. A grievance submitted to Level Two shall be discussed within seven (7) calendar days of receipt of the grievance form by the Chairman of the Association's Professional Rights and Responsibilities Committee, and the Superintendent of Schools, or his designee.
- b. If the grievance is not settled within fourteen (14) calendar days after it is discussed with the Superintendent or his designee, the Association may appeal it to Level Three within fourteen (14) calendar days after the decision at Level Two, or twenty-eight (28) calendar days after the grievance was presented in discussion at this step, whichever is sooner.

3. Level Three:

- a. A grievance submitted to Level Three shall be discussed within fourteen (14) calendar days of receipt of the grievance form by a committee appointed by the President of the Association and a committee appointed by the President of the Board. The respective committees shall include the Chairman of the Association's Professional Rights and Responsibilities Committee and the Superintendent of Schools.
- b. A decision shall be made by the Board within fourteen (14) calendar days after the grievance was discussed at this step.

4. Level Four:

- a. If the grievance is not resolved at Level Three, then a grievance with respect to the interpretation or application of provisions of this Agreement may, within twenty-one (21) calendar days following a decision at Level Three, be submitted to binding arbitration under the voluntary arbitration rules of the American Arbitration Association.
- b. If, in the opinion of either party, the grievance submitted is not arbitrable under the terms of this Agreement, then the arbitrator shall first rule if the grievance is arbitrable, and if it is not, shall dismiss it.
- c. The arbitrator shall not have the jurisdiction or authority to add to, detract from, or alter in any way the provisions of the Agreement.
- d. In the event of arbitration, the costs of the arbitrator's services shall be equally shared by each of the parties.

F. Areas and Subjects Excluded From Arbitration

- 1. Matters where a method of review is prescribed by law, or by any rules or regulations of the State Commissioner of Education or the State Board of Education.
- 2. Matters where the Board is without authority to act.

G. General Guidelines

- 1. No employee shall be disciplined, reprimanded, or reduced in compensation without just cause.

2. All documents, communications, and records dealing with the grievance shall be filed in a separate grievance file, and shall not be kept in the personnel file of any of the participants.
3. No reprisals of any kind shall be taken by the Board, or by any member of the administration, against any party of interest, any representative, any member or the Association, or any other participant in the grievance procedure by reason of such participation.

## **ARTICLE XIV – EMPLOYEE ASSIGNMENTS**

### **A. Teachers**

1. Except in unusual circumstances requiring later assignment, notice of assignment to teachers whose employment has continued from the prior year normally shall be given by the second week in August. Such notice shall include class and/or subject, building and room. Such notice shall not preclude a change in assignment of a teacher.
2. Nontenure Employee Offer of Assignment:
  - a. The state code will determine the date the Board is required to notify employees of the offer of a contract for employment when the school budget is passed by the voters after April 15. If the budget is passed on or before April 15, the Board, on or before April 30, shall give to each non-tenured employee continuously employed by it since the preceding September 30 either:
    - (1) A written offer of a contract for employment for the next succeeding year, providing for at least the same terms and conditions of employment, but with such increases in salary as may be required by law, or policies of the Board; or
    - (2) A written notice that such employment will not be offered.
  - b. Should the Board fail to give to any non-tenured employee either an offer of contract for employment for the next year, or a notice that such employment will not be offered, all within the time and in the manner provided by Section 2 above, then the Board shall be deemed to have offered to that employee continued employment for the next school year based upon the same terms and conditions, but with such increases in salary as may be required by law or policies of the Board.
  - c. If the employee desires to accept such employment he/she shall notify the Board of such acceptance, in writing, on or before June 1, in which event such employment shall continue as provided for herein. 1. When a job vacancy occurs, employees in that category, or employees in a higher category, may desire a transfer to another school, or in the case of custodial and maintenance, to another work shift. Those who have filed a written request for a transfer with the Superintendent will be given first consideration for transfer, provided that the employee who makes the request has the requisite qualifications and ability to perform the job satisfactorily. In the event the requested transfer is not approved, a written explanation shall be given within fourteen (14) calendar days.
2. Requests, where honored, shall be on the basis of senior employee being given preference. Nothing herein shall be construed to limit the right of the Board to transfer employees as the needs of the school system require. Transfers shall not be arbitrarily or capriciously made.

Permanent employees may bid on such job openings. A copy of the opening shall be furnished to the President of the Association.
2. In filling permanent job vacancies within the bargaining unit, the Board will first consider filling such vacancies by promoting the senior employee from the next lower-rated job title who has the requisite qualifications and ability to perform the work. Where two (2) or more

**ARTICLE XXVIII – REDUCTION IN STAFF**

- A. **Definition:** Reduction in Staff refers to those instances where the Board of Education takes action resulting in a decrease in the total number of employees within the school system.
- B. **Notice:** The Board shall give the Association prior written notice, and the right for consultation, before any reduction in staff is implemented. Written notice shall be given to the President of the Association ninety (90) days prior to the implementation of any reduction in staff and shall include specifically the number of affected employees. As soon as possible, when the names of the affected employees are known, this information shall be given to the President of the Association. Every effort shall be made by the Board to place the affected employees within the school system, where vacancies exist, and where teachers are properly certified. The Board will issue a seniority list by January 15 of each year. This list will be organized by service in the District and by certification.
- C. **Attrition:** The Board shall give consideration to the use of attrition to accomplish any reduction in staffing, within the time designated by the Board, to accomplish reduction in staffing.
- D. **Certified Teaching Staff Dismissals:**
- Dismissals resulting from a reduction in staff shall not be made by reason of residence, age, sex, sexual preference, marriage, race, religion, or political action.
  - Dismissals of tenured teachers shall be based on reverse seniority, and the standards established by the Commissioner of Education in accordance with the provisions of N.J.S.A. 18A:28-10 and Sections H. 1. and 2. of this Article.
  - Non-tenured teachers will be laid off before tenured teachers to the extent required by law.
- E. **Recall of Certified Teaching Staff**
- If a tenured teacher is dismissed as a result of a reduction in staff, the teacher shall be placed on a preferred eligibility list for reemployment in order of seniority. The Board, in filling teacher vacancies, shall comply with the provisions of N.J.S.A. 18A:28-12.

2. Any non-tenured teacher dismissed by reason of a reduction in staff will be placed on a list kept by the Superintendent, and shall be considered in filling future vacancies in which the teacher is properly certified.

F. **Curriculum Change**: If any element of the present curriculum is changed so that the program is offered outside the normal school day or on a separate tuition basis, the Board shall offer employment first to the existing members of the teaching staff who are properly certified for such program before employment is offered to any person outside of the school system teaching staff.

G. **Disputes**: Disputes with regard to reduction in staffing shall be subject to consideration in the grievance procedure through Level Three, but shall not be subject to consideration in the grievance procedure at Level Four.

H. **Support Staff Dismissals and Seniority**

1. Seniority for the purpose of this Article shall be based upon an employee's continuous length of service with the Board.
2. In the event that two (2) employees commence their employment on the same date, their respective seniority shall be determined by who was hired first.
3. No tenured secretarial/clerical staff will be laid off before non-tenured secretarial/clerical staff in that category.
4. The Board shall maintain a seniority list of employees, copies of which shall be furnished to the Association. The Board shall promptly advise the Association's President of any changes in the seniority list.
5. An employee's seniority shall cease, and his/her employee status shall terminate, for any of the following reasons:
  - a. Resignation or retirement
  - b. Discharge for cause
  - c. Continuous lay off for period exceeding six (6) months
  - d. Failure of laid off employee to report for work
    - (1) On the date specified in written notice of recall mailed seven (7) or more calendar days prior to date; or
    - (2) Within three (3) working days after date specified in written notice of recall mailed fewer than seven (7) calendar days prior to date, unless the employee has a justifiable excuse for his/her failure to return to work. The Board shall give careful consideration to an employee's reasons which may have caused a delay in his/her return to work. Written notice of recall to work shall be sent by the Board by certified mail, return receipt requested, to the employee's last known address as shown on the Board's personnel records.
  - e. Failure to report to work for a period of three (3) consecutive scheduled working days without notification to the Board of a justifiable excuse for such absence.
  - f. Failure to report back to work immediately upon expiration of vacation, leave of absence, or any renewal thereof unless return to work is excused by the Board.

I. **Support Staff Probationary Employment**

1. All educational assistants and custodial/maintenance employees shall be considered as probationary employees for the first sixty (60) calendar days of their employment. Probationary employees may be disciplined or terminated at any time during their probationary period at the sole discretion of the Board without recourse to the provisions of the grievance procedure of this Agreement.
2. Upon completion of the probationary period, the employee's seniority shall be the date of employment.

J. **Support Staff Reduction in Force**

1. When circumstances necessitate a reduction in staff, the Board shall take the following appropriate steps:
  - a. The Board shall first consider for lay off the employees with the least seniority in the job titles affected.
  - b. Employees considered for lay off shall first be considered for filling any existing vacancy in another job title of the same level, provided they have the requisite qualifications and ability to perform the work. If no vacancy exists, the employee shall have the right to displace, in his/her level, an employee with less seniority in the job title that the employee has the requisite qualifications and ability to perform the work, and likewise in successive lower grades. An employee not placed under these provisions shall be laid off. These provisions shall also apply to displaced employees.

K. **Support Staff Recall**

Employees shall be recalled to work from lay off in the order of their seniority provided that they have the requisite qualifications and ability to perform the available work.

L. **EA Seniority, Recall, Change in Hours**

In making decisions about assignments for educational assistants, including changes in hours, factors that will be considered include length of service of the available personnel. However, the Board may select an individual with less seniority if, in the good faith judgment of the Superintendent, he or she is better qualified for the particular assignment.

**ARTICLE XXIX - RESIGNATION AND TERMINATION NOTICE**

- A. Certified staff resigning from a position shall provide the Board with thirty (30) days advance written notice.
- B. Employment of support staff can be terminated by either the employee or the Board upon thirty (30) days advance written notice.

**ARTICLE XXX - WORK HOURS**

A. **Educational Assistants**

1. Each educational assistant who works six (6) or more hours per day shall receive an unpaid one-half (½) hour lunch period. The Administration shall endeavor to make the luncheon period uninterrupted. If the Administration is forced to interrupt an educational assistant's

lunch period, equal compensatory time will be given to be taken the same day.

2. **Overtime:** Time worked beyond the normal work day assignment will be compensated at the educational assistant's regular rate up to thirty-six and one-quarter ( $36\frac{1}{4}$ ) hours per week, and at one and one-half ( $1\frac{1}{2}$ ) times the educational assistant's regular rate for the time worked beyond thirty-six and one-quarter ( $36\frac{1}{4}$ ) hours. The educational assistant may request equal compensatory time in place of the hourly wage rate. The method of compensation will be determined by the educational assistant filling out the appropriate time sheet and having it signed by the educational assistant's immediate supervisor.
3. In making decisions about assignments for educational assistants, including changes in hours, factors that will be considered include length of service of the available personnel. However, the Board may select an individual with less seniority if, in the good faith judgment of the Superintendent, he or she is better qualified for the particular assignment.

**B. Secretaries/Clerks**

1. The work day shall consist of eight and one quarter ( $8\frac{1}{4}$ ) hours inclusive of a sixty (60) minute duty free lunch period. All secretaries/clerks shall be scheduled by their respective supervisor.
2. Immediately upon the closing of school for students in June, until school opening in September, the normal work day shall consist of seven (7) hours, inclusive of a sixty (60) minute duty free lunch period.
3. Overtime shall be defined as working in excess of thirty-six and one-quarter ( $36\frac{1}{4}$ ) hours per week, provided however, that in those weeks that include Labor Day, Martin Luther King, Jr. Day, and Memorial Day, overtime will be paid to any secretarial employee when the employee works more than 30 hours. Compensation for administratively approved overtime shall be either one and one half ( $1\frac{1}{2}$ ) times the employee's regular rate or equal compensatory time. The method of compensation will be determined by the secretary/clerk by filling out the appropriate time sheet and having it signed by the employee's immediate supervisor.
4. Secretarial and clerical staff whose employment has continued for three (3) consecutive academic years, together with employment at the beginning of the next succeeding academic year, an academic year being the period between the time when school opens in the district after the general summer vacation and the beginning of the next succeeding summer vacation, shall be provided tenure under the provisions of N.J.S.A. 18A:17-2.
5. During the pupil school year, the principal has the option to release secretaries/clerks up to thirty (30) minutes prior to the normal closing time on Fridays, and on any full school day prior to a school vacation closing.

**C. Maintenance/Custodial Staff**

1. Subject to current practice regarding second shift overtime, each employee who actually works in excess of forty (40) hours per week shall receive pay for such excess time at one and one-half ( $1\frac{1}{2}$ ) times his/her regular hourly rate.
2. Reasonable amount of overtime is part of the expected workload. The scheduling and distribution of overtime will be performed equitably on a rotating basis, as far as circumstances permit, among full-time employees in accordance with the needs of the District as per the following:
  - a. General overtime will be scheduled and distributed in descending order from most senior employee to least senior employee in accordance with a posted general seniority list that

includes the names of all full-time employees of the Maintenance/Custodial/Grounds Department. ("General Overtime" refers to overtime that does not require specific license/certification to perform the overtime task including, but not limited to electrical, plumbing, asbestos, pesticide application, HVAC, etc.) If an employee declines, cannot be reached, or is otherwise not available for a specific overtime assignment, the assignment and subsequent assignments will be offered to the next employee on the list, and so on in descending order, until an assignment has been offered to every employee on the list, at which time the list will start again with the most senior employee.

- b. Qualified overtime will be scheduled and distributed in descending order from most senior employee to least senior employee in accordance with a posted qualified seniority list that includes the names of only those full-time employees who hold specific licenses/certifications to perform an overtime task including, but not limited to electrical, plumbing, asbestos, pesticide application, HVAC, etc. If an employee declines, cannot be reached, or is otherwise not available for a specific overtime assignment, the assignment and subsequent assignments will be offered to the next employee on the list, and so on in descending order, until an assignment has been offered to every employee on the list, at which time the list will start again with the most senior employee.
  - c. If an employee is available on-site to perform an overtime assignment (either qualified or general), and the employee who is next on the list is not on-site, then the District may utilize the employee who is on site to perform the assignment, and this assignment will be charged against his or her turn on the list.
  - d. If an emergency situation arises that requires overtime, and in the good faith judgment of the Director of Facilities requires an immediate response, and the employee who is next on the list cannot be reached, then the District may utilize another qualified employee who is immediately available, and this assignment will be charged against his or her turn on the list.
  - e. In the event that any employee is not offered his or her turn on the list as the result of an error or oversight, the employee shall be offered an additional turn on the list as compensation for such error.
  - f. The Director of Facilities will administer and coordinate the overtime schedule and distribution through both the Custodial and Maintenance Foremen. The Director will maintain an up-to-date Overtime Log that will reflect a listing of overtime worked by all department employees and a listing of overtime declined by all department employees. The Board will provide a copy of the Overtime Log to the Association every three months. Any full-time maintenance/custodial/ grounds employee may review the Overtime Log, upon request to the Director of Facilities.
  - g. Managers and foremen will not be on the overtime rotation list. This does not prevent the Board from granting overtime to managers and foremen.
3. In the event an employee is called back to work after the completion of his/her regular work schedule, he/she shall receive a minimum of four (4) hours pay at his/her overtime rate: one and one-half (1½) times his/her regular hourly rate.
- a. The exception to the above is when an employee is called in to work within four (4) hours before, and worked through to the assigned shift. Such an employee is to be paid for the time worked at one and one-half (1½) times the regular rate.

**D. Secretaries/Clerks, Maintenance/Custodial, and Full Time Educational Assistants**

1. Each employee, whose scheduled work week consists of thirty-six and one-quarter (36¼) hours or more, shall have two (2) break periods per day of fifteen (15) minutes each, one to be taken in the first half of the work day and the other in the second half. The time for taking said breaks shall be scheduled by the employee's respective supervisor. The supervisor shall endeavor to consider the employee's preferences in scheduling breaks.
  2. The Board shall retain the sole jurisdiction and authority over matters of policy and shall retain the right in accordance with applicable laws and regulations to create new shift times and/or days as may be required to meet the needs of the District.
- E. All staff who have a lunch period scheduled shall have an uninterrupted, duty-free lunch period. However, the Association recognizes that some issues of an emergency nature may need to be addressed during lunch period.
- F. Every effort will be made to provide teachers with a daily preparation period during which the teachers shall not be assigned to any other regular duties or responsibilities. This shall not be construed to require the employment of additional staff.

**ARTICLE XXXI - WORK YEAR**

- A. Ten-month employees (except Educational Assistants and Basic Skills Improvement Program staff) shall have 188 actual working days. One of the 188 days is to be used during the summer vacation for classroom/class preparation. "The use of one other day will be determined in consultation with the Association leadership."
- B. During the pupil school year, all secretaries, clerks, computer specialists, and computer technicians shall work the same number of days as those worked by the teaching staff, and shall be entitled to the same holidays as the teaching staff.
- C. Twelve (12) month secretarial/clerical employees shall be entitled to the following holidays during the summer break:  
Fourth of July  
Labor Day
- D. Twelve-month maintenance/custodial employees shall be entitled to the following paid holidays:  
New Year's Day

Easter Monday  
Memorial Day  
Fourth of July  
Labor Day  
Thanksgiving Day  
Day after Thanksgiving  
Christmas Eve Day  
Christmas Day  
New Year's Eve Day
- E. In order to be eligible for holiday pay, a twelve (12) month maintenance/custodial employee must work the last regularly scheduled work day before the holiday, and the first regularly scheduled work day after the holiday, unless absent for a justifiable reason.

- F. In the event that a holiday falls on a Saturday, it shall be celebrated on the preceding Friday, and in the event it falls on a Sunday, it shall be celebrated on the following Monday. This applies to custodial/ maintenance employees, and also to other twelve (12) month employees during the summer.
- G. In the event that a holiday falls during a twelve (12) month employee's vacation period, he/she shall extend his/her vacation by one day.

    - 8th year - 3 weeks and 1 day
    - 10th year - 3 weeks and 2 days
    - 11th year - 3 weeks and 3 days
    - 12th year - 4 weeks
  - 3. Less than one (1) year of employment, one (1) day per month, not to exceed nine (9) days.
  - 4. Employees who regularly are scheduled to work fewer than five (5) days per week shall receive vacation on a prorata basis.
  - 5. Vacation carry-over of no more than five (5) days, and current employees must use accumulated days in excess of five days by the end of June of the current year.
- B. Vacation eligibility shall be determined as of July 1 of each year, based on continuous service.
- C. Vacation scheduling shall be coordinated with the needs of the Board. However, requests shall not be unreasonably denied.
- D. Earned vacation shall be paid according to the proportion of full months worked to the total contract year, unless proper notice has not been given, or the employee is terminated for cause.
- E. Employees who previously served the District as educational assistants shall receive one (1) year's vacation service credit for each two (2) years of continuous service immediately prior to employment as a clerk or secretary.
- F. Employees who previously served the District as 10-month clerk typists or 10-month secretaries and are awarded a 12-month contract shall receive one (1) vacation day per month, not to exceed ten (10) days for the previous months worked under the 10-month contract.

#### **ARTICLE XXXIII - DURATION OF AGREEMENT**

- A. This Agreement shall be effective as of July 1, 2007 and shall continue in effect until June 30, 2010. Either party must give written notice, not later than November 1, of any changes desired in the Agreement commencing July 1. ## SIDEBAR AGREEMENT

1. Employees covered by this contract and not living in Haddonfield may enroll their children as tuition students at twenty-five (25) percent of the regular tuition rate if the receiving principal determines that an appropriate program and classroom space are available and the student's academic and conduct record is acceptable. The student must also meet the district's admission criteria and be approved by the Superintendent.
2. When parent conferences are held in the elementary and middle schools at the end of the first marking period, there shall be two half-days and two nights of scheduled conferences. The half-day conferences shall be scheduled during the regular workday, when students are not in attendance, and the evening conferences scheduled for two consecutive hours ending by 8:00 p.m. On the day after the first evening conference and the day of the second evening conference, teachers shall be dismissed at 12:30 p.m.
3. The Board of Education will subsidize the cost of printing the Bulldawg Bulletin for up to \$1,000 per year.
4. In the event that the flexible spending account is ruled illegal, prescription plan coverage will be provided in place of the FSA.
5. Release time to attend a Haddonfield Education Association informational meeting shall be provided once a year for the following categories of employees:
  - a. Up to one hour, once a year for custodial and maintenance staff whose normal shifts include a work assignment during the times of 3:30 to 4:30 p.m.
  - b. One-half hour, once a year for secretarial/clerical staff whose normal workday continues past 3:30 pm.
6. Scheduled library time shall be 45 minutes once per six day cycle for grades one to five.
7. The Board may require teachers new to the District to participate in a two-day orientation program no more than one week prior to the beginning of the school year. One hour of one orientation day will be made available for the Association to make a presentation.
8. In the event of a significant increase in the use of a 6<sup>th</sup> period assignment, the Superintendent will discuss with the Association leadership when appropriate.
9. The Board of Education understands the necessity of a reasonable amount of release time for Association business, and the Association understands the necessity to maintain instructional time. With that in mind, designated officers or representatives of the Association may schedule release time on an as-needed basis with the mutual agreement of the appropriate administrator.
10. It is the intent of both parties to maintain the structure of the salary guides in future negotiations with increment levels between steps to be maintained on a level that is reasonably proportional to the increment levels between steps in the 2007-2010 salary guides.

The Board agrees to solicit and evaluate suggestions from members of the Association for improvements in operations that may result in cost savings or cost efficiencies. Each such suggestion received from a member of the Association will be reviewed by a Cost Savings Review Committee made up of an equal

number of administrators appointed by the Superintendent, and members of the Association appointed by the President of the Association. The Cost Savings Review Committee will decide whether to recommend a suggestion for implementation, and will report to the Board concerning the amount of savings realized during the first year of the suggestion. Suggestions that address changes in the Collective Bargaining Agreement or suggestions that address negotiable issues as defined by PERC regulations will be referred to the Association and the Board for consideration. Subject to the Board's normal processes for approval of budgets and expenditures, the Board will pay 50% of the first year's annual savings for each suggestion from a member of the Association that is accepted by the Cost Savings Review Committee and implemented by the Board, in equal shares to the members of the Association who are employed by the Board on the date of payment (but to include the member(s) of the Association who made the suggestion even if no longer employed by the district on the date of payout). Payment will be made by December 15th following the completion of one year of implementation. This agreement does not apply to and shall not be deemed to limit or restrict the ability of the Superintendent to implement cost-savings suggestions that originate from outside of the Association, and there will be no sharing of savings for such suggestions. This agreement will expire on June 30, 2010, unless extended or renewed by the Board and the Association pursuant to a separate written agreement.
